List Of Free WiFi Spots In Makati

Not all hotels in Makati offer access to internet for free. Most of the hotels will charge an expensive fee of usage which at the time of writing the lowest price is P100 (or USD \$2) per hour. Below we list down free WiFi zones in Makati where you can go to for free access to the internet.

If you know an establishment that offers free WiFi that is not on the list, please add it through the comment form and we will give you credit for it. And since we don't have control over each establishment, some on the list may cease to offer free access to WiFi and so we ask you to help us update the list via the comment form provided.
