If you are already in the Philippines, before you actually travel to the city of Makati it is a good idea to invest in a map. With a map you have an opportunity to look at what this city has to offer and find the best Makati hotel to stay at. With a map, you can arrange your itinerary to explore Makati accordingly.

But it isn't just these maps that will help you to locate the best things to do and see in this city but can help you with determining which hotel you stay in during your stay. If you use the map that we provide above, then you will find that by clicking on the appropriate markers it will direct you to the feature mentioned.

In many cases with our map, finding one that meets with your budgetary requirements and is in a perfect location to explore all this city has to offer will not prove difficult.

However the main reason for using a Makati Map is to navigate around the streets of Makati city. As you will find that getting around if you are new in the Philippines can prove extremely difficult specially in Makati city where the hub of all actions is concentrated. For tourist, it is suggested to simply walk rather than ride in a vehicle to get familiarized in the place but you may want to use a taxi when the weather turns a little inclement.
