# Non-Smoking Rooms

The need for Makati hotel that offers smoking or non-smoking rooms is mandatory. Smoking rooms allow guests who smoke to be comfortable in their new environments just as non-smoking rooms provide comfort for those who do not smoke. In Makati City, Philippines many hotels give guests such options. Those who do not smoke will want to let the facility know when making reservations, so they are not subjected to the lingering smells of cigarettes or cigars. Those who smoke will want to have ashtrays and matches available. It is crucial to let staff know in advance if you need a non-smoking room so that the right accommodations will be ready upon arrival.
