## Somerset Olympia Hotel Guest Reviews

*:-) "**Relaxing place** - Secure place to stay Friendly staff well located: they have a 24/7 mini stop, a seven eleven, jollibee, Mc D and the malls close by. although they are a service apartment with kitchens, they have restaurants that serve you breakfast. They also have a gym The exchange rate is not too diff from the airport..." [Guest review from www.tripadvisor.com](http://www.tripadvisor.com)*

*:-) "**Wasn't nearly as great as the Somerset Salcedo property** - The only up-side of this property is it's location in Makati. It is on prime real estate on Makati Avenue and is walking distance to some great restaurants & malls in Makati if you're looking for an urban stay. We found the room much smaller than the 1BR Executive suite we stayed in at Sacedo, the pool, food, and service..." [Guest review from www.tripadvisor.com](http://www.tripadvisor.com)*

*:-) "**I can Never forget this trip** - Excillent trip. I can never forget this trip. During whole stay i was enjoy alot. Facility are too good..." [Guest review from www.tripadvisor.com](http://www.tripadvisor.com)*

*:-) "**Overall OK but many small issues that can be improved** - I stayed there for 4 nights during a business trip. The location and the service are the best aspects of Somerset Olympia. Very convenient location, there was no need to use taxi for most of my meetings. All the staff very professional and eager to help. I've had an executive studio and first of all I think the room is..." [Guest review from www.tripadvisor.com](http://www.tripadvisor.com)*

*:-) "**Despite some minor issues, still a good place to stay** - This was the first time we stayed at this*

hotel. Reviews on Tripadvisor were generally good so we chose this place. Rooms were clean, service was good. The only main issue we had was that the internet did not work during our stay which became a bit of an inconvenience as during the time, it was the only method of..." :-) **"My 2nd and definitely my last stay** - This is my 2nd stay in Somerset Olympia and i wasn't totally impressed at all. i was upgraded from studio executive to 1 bedroom suite i thought i was in for a luck but much to my dismay studio executive is much better. The 1 bedroom suite was facing the traffic of Makati so you could hear the busy streets..." [Guest review from www.tripadvisor.com](#)

:-) **"Superb Value For Money** - What struck me was the friendliness of the staff. A warm smile and a greeting by name, Nothing is too much trouble - even getting a meal at 3am in the morning was no big deal for them. The room was clean - very clean - and the bed was warm and soft. The malls and shops are right nearby..." [Guest review from www.tripadvisor.com](#)

:-) **"Nice Place for Staying** - When you want to go for business or leisure. No more search. This hotel is excellent place to stay. With you family is even better since you have nice big room with kitchen and leaving room. The rate is also reasonable compared to similar hotel in the area. You can book through Agoda for discounted rate even two day before..." [Guest review from www.tripadvisor.com](#)

:-) **"Great Hotel** - People are great, the weather is good, the room is spacious, amenities are good, cleanliness, fixtures, furnitures, staff are overwhelming. BUT the location is quite far from malls, and busy activities, I believe its a business district that's why..." [Guest review from www.tripadvisor.com](#)

:-) **"Nice serviced residence** - if you are travelling on business or pleasure this hotel can be ideal as its located just 5-10mins walk from large shopping malls. i think its value for money as room charge is much cheaper than other 5star hotels near-by(i.e.peninsula or shangri-la)..." [Guest review from www.tripadvisor.com](#)

:-) **"Had a great time at this hotel** - Was very suprised how big the rooms are. Great staff , first class service. The breakfast is very poor. Room Food Service is equally poor with one restaurant being closed for 3 days during our stay and the other too expensive for what they offer. Gym is great and the pool is outstanding and Taxis are right there waiting for you with no rip offs. We will never stay anywhere else again. Its a great place even with the food issues..." :-) **"will i think this hotel is over priced** - and the rooms i was in so small ,with the cooking allover made it very hard to take . it would be good for short stay , i have booked in advance stay which was my mistake ..." [Guest review from www.hoteltravel.com](#)

*:-) "**Our room at Golden Sand Hotel** - was spacious with basic furniture and a clean toilet. We only stayed there for 1 night but the staff were very warm and friendly and even helped us with finding another Hotel in Phnom Penh. *:-) "**The staff are very friendly and spoke** - good English but to far from the tourist site, which are across the river. Stayed there with my girlfriend and had a good room. Next trip we will stay closer to centre..." [Guest review from tma-travel.com](#)*

*:-) "**Excellent Staff, very friendly and helpful** - Rooms and linens were always clean and fresh. Great location everything is within walking distance. Great little restaraunt with awesome morning buffet. The only down side for business travelers was the surcharge for internet in the rooms PHP600 per day; extremeley high when you look at the local monthly cost for BB internet being less than PHP500 a month. This was the only draw back. Looking forward to staying again." [Guest review from travel.yahoo.com](#)*

*:-) "**GREAT PLACE** - I stayed here for 2 months from 03/06/08 to 05/06/08 and it was awesome, I was very impressed with the service and hospitality of the staff. My room was always clean and whatever I needed it was there, the hotel had trips planed and diffrent activites during my stay. I am going back this summer for work again for three months and I have requested to stay here again. SEE YA SOON GUYS.." [Guest review from travel.yahoo.com](#)*

*:-) "**Friendly & Helpful Staff** - The staff at this hotel were very helpful. The pool was clean and they even had a jacuzzi. This place caters to the traveler who may want to cook meals in their room or plan on a longer stay so would like a home away from home. We felt very safe staying there and they have great transportation services. We were pleasantly surprised with this gem. It is walking distance to shopping areas and restaurants. Loved it. The restaurant was also very good, they have this special homemade jam which was delicious." [Guest review from travel.yahoo.com](#)*
